

Georgia Engineering Alliance, Inc.

233 Peachtree Street
Harris Tower, Suite 700
Atlanta, Georgia 30303
Voice: 404-521-2324
FAX: 404-521-0283

DIRECTIONS AND PARKING:

The Georgia Engineering Alliance is located on the 7th Floor of Harris Tower, Peachtree Center, in downtown Atlanta. Interstate 75/85 is situated only a few blocks from Peachtree Center, and the northern exit of the Peachtree Center MARTA Station provides direct access to the complex. Hartsfield-Jackson International Airport is a 17-minute ride from Peachtree Center.

Going south on I-75/I-85, take the Courtland Street Exit (exit 249A), go south three blocks and turn right onto Andrew Young International Blvd, turn left in the middle of the block into the 161 Peachtree Center Avenue Parking Garage. After parking, exit the garage onto Andrew Young International Blvd, walk *up the hill* and cross diagonally to the Peachtree Center complex. Continue *up the hill* on International Blvd. a short distance and enter the Peachtree Center Mall on the right. Continue straight ahead and take the escalator up to the Plaza level. Exit the escalator to the right and immediately turn left. Harris Tower is directly in front of you; however, you must walk briefly across the open air Plaza to the Harris Tower entrance.

Going north on I-75/I-85, take the Andrew Young International Blvd. Exit and go West toward downtown and then follow the directions above.

Two parking garages, 161 Peachtree Center Avenue Garage and the Athletic Club & Courtland Garage may be utilized by members of the Georgia Engineering Alliance.
